

Due to rising Covid-19 case counts in King County, all team members and clients will be required to wear a mask, regardless of vaccination status.

Ongoing Covid-19 prevention:

- All team members are fully vaccinated.
- Clients wash hands before and after treatment.
- Clients and employees stay home if they are ill. If mostly recovered, but still have mild coughing or congestion, they must wear a mask in the clinic.
- Cleaning of all surfaces between treatments with Protex.
- Use of air filters that clean the air in our treatment rooms and small studio spaces 5x/hour down to .3 microns.
- Urging all community members to get vaccinated.
- Continue to update policies based on guidance from the CDC and local government.

Please contact Elizabeth Rogers directly with any questions or concerns. She is available via clinic phone (206-535-7356) and email (elizabeth@elizabethrogerspt.com).
